Social	buttons Onslaught - 1	&	pag	es
Posted by	Onslaught - 1	5 M	ar 201	2 13:42

I have now made a <u>facebook page</u> for warlorders.com and added like button for that page to the top bar here. Make sure to like the page and if anyone wants to be an admin, just let me know.

I have also added tweet and google plus buttons connected to the url warlorders.com.
